

Rothbury Parish Council

Rothbury Parish Council have developed a smartphone app to enable information and messages to be sent to residents, to be informed of:

- Community events
- Community news, and local issues e.g. meetings, flood alerts etc.
- Community projects, such as the Rothbury Borderland Place Plan

There is an opportunity to inform residents of the many local non-profit organisations and societies who are based in this area, and to help publicise their meetings and events.

If you represent one of these community organisations, and would like this information included in the app, please contact the Parish Council

app@rothburyparishcouncil.gov.uk

01669 621565

65 Addycombe Gardens, Rothbury, NE65 7PE

The App can be downloaded via

<https://www.apple.com/app-store/>
